

RSA10 Walk Over Channel and Lens

RSA10 channel has a 3mm thick lens making it a perfect walk over profile with built in internal drainage slots. IP67 rated LED ribbon strip must be used outdoors or where there is a high rate of water ingress.

*If you can dream it there's a Specialised LED Products solution that will give you the tools you need to create it.
If we don't already have it, we will source it. If it doesn't already exist, we will create it.*
