

Smart Home Control Series

SM-WD

Smart Home Series Receiver

240 Volt AC
400W (200W LED)
Smart Home single colour trailing edge dimmer receiver.

Allows control of 240V AC lights from Philips Hue App when used with Philips Hue Bridge and wifi connection.

Allows wifi control without the need for running data cables.

This wall dimmer means that your new or existing 240V AC lights can be controlled on the same system as your 12-24V fittings (SM-RC) using the Philips Hue Bridge & Philips Hue App.

Philips Hue Bridge

If you can dream it there's a Specialised LED Products solution that will give you the tools you need to create it. If we don't already have it, we will source it. If it doesn't already exist, we will create it.
