

# SYN-RGBW-R-4

## Pairing to SYN-RC

Power on the SYN-RC receiver to be paired, then turn on the SYN-RGBW-R-4 remote (Indicator on remote should be on).

Click the Match Key on the SYN-RC receiver (do not hold down), Then press a Zone button on the remote three times.

The LED products connected to the SYN-RC LED receiver will flash quickly indicating that the SYN-RC LED receiver is now paired with the remote.

## Deleting a Pairing

Hold down the Match Key on the SYN-RC receiver for 10 seconds.  
Connected LED lights will revert back to a default bright white.

## Operating Distance

30m in clear air.
